PROMINENT IN CLASS DAY EXERCISES AT TRINITY COLLEGE TODAY

WIN CLASS-DAY HONORS AT TRINITY COLLEGE

Miss Garner and Miss Smith Have
Important Parts on the
Program Today.

Miss Esther Garner of Washington and Miss Kathleen Smith of Riverdale, Md., have two of the six honors on the class-day program at Trinity College this afternoon. In the literary exercises, following the planting of the class ivy attended by a daisy chain procession of juniors, Miss Garner is to read the class essay and Miss Smith the class history. They have both distinguished themselves during their course in Trinity by proficiency in all branches.

Miss Smith is president of the chemical society and assistant editor of the Trinitogue, the class book. Miss Garner has been assistant editor of the Record, the college journal.

The other numbers on the class day program this afternoon are: President's address by Miss Miriam A. Greene of Brooklyn, N. Y.; piano solo, Fiedelmus valse, by Miss Florence M. Leonard; "Alma Mater," by Misses W. Monahan, H. Brodine, M. C. Brogan and M. McManus; class poem, by Miss Frances McManus of Philadelphia; class prophecy, by Catharine M. Moorman; parting tokens, the equivalent of a valedictory address, by Catharine F. Boyle of Fitchburg, Mass., president of the Student Government Association; class song by Miss Harvey Smith of Fergus, Mo.

The commencement program closes tomorrow morning with the conferring of degrees and important announcements by Very Rev. John Bonzano, the papal delegate, and an address to the graduates by Thomas W. Churchill of New York.

An important meeting of the alumnae association to take action regarding the building of a new gymnasium and swimming pool was held this morning. The advisory board met this afternoon. The "Death of Joan of Arc," an historical scene from "Le Messenier," by Camille Delavigne, and arranged by Max Spicker, was the feature number on the Canadian Club concert program yesterday afternoon. Besides the soloists who contributed to the concert the musical clubs of the college also participated in choruses.

GOV. TRAMMELL LEADS IN FLORIDA PRIMARIES

Appears to Have Been Nominated
for United States Senator, Defeat-
ing N. B. Bryan, Incumbent.

TAMPA, Fla., June 7.—Returns from what is estimated to be about 60 per cent of the vote cast in the Florida primary yesterday indicate that Gov. Park Trammell has defeated Senator N. B. Bryan for the United States Senate, and that S. M. Sparkman, chairman of the House river and harbors committee, probably has been returned, although earlier figures indicated he had been defeated. C. J. Catts has what is believed to be a safe lead over L. L. Farris and W. V. Knott for governor.

In the Vice President preference vote Thomas Marshall has won easily over Gov. Major of Missouri.

In the fourth district Representative W. J. Sears is leading, although closely pressed by Forrest Lake. J. H. Smithwick is leading in the third district, where Representative Emmett Wilson declined to stand for renomination. Frank Clark had no opposition in the second district.

In order to make a second primary unnecessary voters expressed first and second choices on their ballots yesterday. This is confusing in tabulating returns, and it may be necessary to await the official canvass June 12 to ascertain all the winners.

VICTIM OF ACCIDENT.

Mrs. C. L. Reisinger, Former Wash-
ingtonian, Killed.

Mrs. Claire L. Reisinger, thirty-three years old, a sister-in-law of Maj. Harold S. Reisinger, U. S. A., and formerly living in Washington, on 16th street, was killed at Cannonburg, Pa., last night, when an interurban car of the Pittsburgh Railways Company struck an automobile in which she was riding. John Higgins of Waynesburg, Pa., was also killed and three other persons were injured.

Mrs. Reisinger for more than a year has been living with her mother, Mrs. Robinson Downey, in Waynesburg. The first word of her death was received here in a telegram to Maj. Reisinger.

ACCIDENTS IN THE STREETS.

H. W. Wells and a Child Knocked
Down by Automobiles.

H. W. Wells, Woodley apartments, yesterday afternoon was knocked down by an automobile operated by George Reed, 1488 Newton street northwest, at Pennsylvania avenue and 17th street northwest. The accident was caused by the automobile skidding. Mr. Wells was only slightly hurt.

Camilla Soldam, thirteen years old, 1301 H street northeast, was knocked down by an automobile last night while crossing the street in front of her home. Injuries to her hip and hand were dressed by a physician from Casualty Hospital.

Policeman J. C. Holmes of the first precinct this morning about 12:30 o'clock bumped into a street car at 8th and G streets southeast and cut his face. His injury was dressed at home.

"A sensible cigarette—that's what I want"

There are a number of good cigarettes on the market—Fatimas are not the only ones.

But Fatimas are the best-liked and best-selling of all cigarettes costing over 5c.

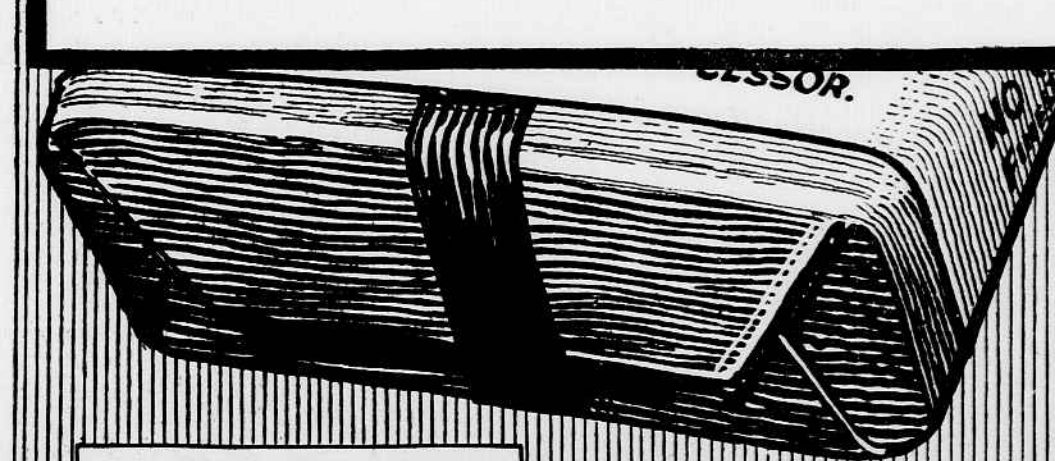

Of course, your taste may be different—you may not like Fatimas as well as all these thousands of other men do.

But you can't deny that they are worth trying—not only for the delicious taste

that has made them so famous, but also to see just how SENSIBLE they really are—sensible because Fatimas are cool and comfortable to the throat and tongue at all times and because they leave no "mean" or "heady" feeling even though you may smoke more often than usual.

If you would prove how really sensible a cigarette can be—try Fatimas.
